Virginians Organized for Interfaith Community Engagement (VOICE)

**ORGANIZING FOR A NEW DOMINION OF JUSTICE  
AND POLITICAL PARTICIPATION IN VIRGINIA**

# WHO IS VOICE?

VOICE (Virginians Organized for Interfaith Community Engagement) is a non-partisan citizens' organization of almost 50 faith and civic institutions in Northern Virginia. We organize to build power and do justice in middle and low-income communities in Fairfax, Prince William, Arlington and Alexandria City. Uniting people across lines of race, class, religion, political party and geography, we take action on key issues in our communities including, but not limited to, immigrant rights, foreclosure accountability, schools, criminal justice, affordable housing preservation/ development, and youth investment.

Founded in 2008, VOICE is an independent and non-profit organization led by a strategy team of religious, lay, and community leaders from across Northern Virginia. VOICE is funded by dues-paying member institutions (congregations, temples, mosques, union locals, business groups, schools, health centers, etc.), grants from foundations, and generous donations from individuals and businesses.

VOICE is affiliated with the Industrial Areas Foundation (IAF), the nation's first and largest network of multifaith broad-based citizen organizations, which has seven decades of experience winning tough battles on housing, health care, education, living wages, immigrant rights and other issues across the nation. To see what the IAF has accomplished this year throughout the country, see pages 16-19.

# VISION

**We believe that people working together have the power to change their communities and their country for the better.**

---

# NEED

**Political and corporate leaders often don't embrace change unless they're pressured by the people they serve. And too many people don't realize they have the potential to join forces and create change in their neighborhoods through organizing.**

---

# OUR APPROACH

**We work with the people who want to transform the world—from what it is to what they believe it should be. We challenge people to imagine the change they can accomplish, connect individuals and organizations to multiply their power, and organize people by the hundreds and thousands to make their voices heard. We set bold goals, we create effective strategies—and we ACT, taking on the powerful interests that stand in the way.**

2008-19

# 2019 VOICE ORGANIZING VICTORIES

## BUILDING POWER AT THE LOCAL AND STATE LEVEL

**In 2019, VOICE held three separate candidate accountability actions with state, county, and municipal candidates** from Prince William, Fairfax, Arlington, and Alexandria between May and October with a total turnout of 1,700 VOICE leaders, winning commitments to:

- Create a Public Defender office in Prince William, the first county that is majority people of color in Virginia
- Increase local investments in affordable housing by tens of millions in Fairfax, Arlington and Alexandria
- Expand after-school and Head Start/pre-K education in Prince William, Fairfax, Arlington, and Alexandria

**VOICE launched its Nonpartisan Get-Out-the-Vote work** in 2017 at VOICE's Gubernatorial Accountability Action **attended by 1,565 VOICE leaders** at Patriot HS in Prince William County—the largest assembly of the election season with both gubernatorial candidates—three times larger than the second-largest assembly.

**Since 2017, VOICE has had 1,332 election volunteers** knock on their neighbors' doors in Virginia's 2017, 2018, and 2019 elections. In 2019, VOICE once again secured major results through its nonpartisan GOTV work in low voter turnout swing districts. This year, VOICE leaders strategically focused on Prince William County as it was key to who would control power in the Virginia Senate and House of Delegates. Each year, VOICE leaders have significantly increased voter turnout over other similar precincts. For example, this year in the 51st District— overall turnout was 49%, but in two of the precincts VOICE worked, turnout increased by 100.6% and 82.68%.

# STATE ISSUE AGENDA

## VOICE HAS PRODUCED THE FOLLOWING VICTORIES OVER THE LAST TWO YEARS:

- **Won driver's license restoration for 627,000 VA residents** with unpaid court debt/fees/fines.
- **Increased Virginia's felony larceny level to \$500** from \$250, the lowest in the nation. VOICE will push to raise the felony level to \$2,500 in 2020 to match the threshold in Texas.
- **Secured \$154 million** in dedicated annual funding for capital improvements for WMATA, part of \$500 million total in annual dedicated funds from VA, DC, and MD to revitalize the Washington regions bus and rail system.
- **Secured a down payment of \$12.5 million** towards the \$90 million needed to raise the school counselor-to-student ratio to 1:250. The ratio in many elementary schools is now 1:500. Gov. Northam committed the full \$90M over three years in his budget that VOICE requested.
- **Expanded Virginia's Affordable Housing Fund** to \$11 million.

## GUN SAFETY

Metro IAF's Do Not Stand Idly By (DNSIB) campaign organized a Gun Safety Tech Expo in Milwaukee, WI that brought together key players on gun safety: developers of state-of-the-art gun safety technologies, Milwaukee Mayor Tom Barrett, DA John Chisholm and other officials from throughout the region, public health leaders, and investors pressing for responsible conduct in the gun industry. DNSIB recruited the team of mayors and other officials who launched the Gun Safety Consortium -- the nation's first coalition of cities and counties dedicated to getting effective gun locks and safety products into the hands of police and civilian gun owners. Consortium co-founders include mayors John Cranley of Cincinnati, OH, Bill Peduto of Pittsburgh, PA, and Joe Ganim of Bridgeport CT; County Executive Stuart Pittman of Anne Arundel County MD; Kane County, IL Sheriff Ron Hain, and Park Ridge, IL Police Chief Frank Kaminski. In Orange County, NC, urban and rural leaders from diverse backgrounds celebrated their success in pushing the school district to quadruple the hiring of teachers of color.
